

# BIOLOGIST

**DEPARTMENT:** LANDS & NATURAL RESOURCES

**TERM:** PERMANENT FULL-TIME

**COMMUNITY:** NAIN

**CLOSING:** NOVEMBER 13, 2024

## Responsibilities:

Under the direction of the Director of Environment, the Biologist will:

- In partnership with the Research Manager, develop, plan and conduct studies of the environment, and of the population, distribution, movement, and behaviour of plants and wildlife.
- Lead biological related programming and conduct ecological and environmental impact studies and prepare reports.
- Organize, verify and analyze a variety of data collected through research and monitoring programs.
- Liaise and coordinate with academic, government, non-government organizations and other relevant partners on research and monitoring programs.
- Support or sit as a member to Inuit Nunangat or Federal Government biodiversity or biological tables or committees.
- Assist with the development and implementation of community and regional research studies and projects to promote environmental protection and sustainable development.
- Assist and support the Nunatsiavut Government's participation in federal and provincial environmental assessments and environmental reviews of initiatives under the Nunatsiavut Environmental Protection Act.

## Qualifications:

- Undergraduate degree in Biology, Environmental Science, or related field, with 5-10 years of related experience. Combination of relevant education and/or experience will be considered.
- Minimum of 3-5 years' experience working in Geographic Information Systems.
- Minimum of 3-5 years' experience in remote field work and leading research projects, preferably in Inuit Nunangat.
- Experience working in Microsoft Word, Excel, and PowerPoint. Experience in Microsoft Project is considered an asset.
- Excellent time management skills that include balancing short-term and immediate work commitments with varying priorities and deadlines.
- Experience working with Indigenous communities and diverse communities.
- Willingness to travel and work in remote situations in a variety of environmental conditions.

## Assets:

- Bilingual in Inuktitut and English

## Responsibilities:

- Participate in relevant permit review processes.
- Support the Geographic Information System needs of the Environment Division.
- Assist in the day-to-day operations at the Nunatsiavut Research Centre.
- Other duties as required.

## Benefits:

- Competitive Paid Leave Package.
- Travel Benefit.
- Labrador Allowance.
- Group insurance including health and dental.
- Group pension.

## Contact:

[careers@nunatsiavut.com](mailto:careers@nunatsiavut.com)

Applications should be forwarded before 4:30pm on closing day.

---

The Nunatsiavut Government is an equal opportunity employer however preference will be given to beneficiaries of the Labrador Inuit Land Claims Agreement. Applicants are asked to clearly state their Nunatsiavut beneficiary number on their cover letter or resume when applying.

---
