

CELEBRATE LIFE COORDINATOR

Department: Health & Social Development

Term: Permanent Full-time

Community: Nunatsiavut (Nain, Hopedale, Postville, Makkovik, Rigolet)

Closing: April 13, 2026

Responsibilities:

- Lead the planning, creation and delivery of Labrador Inuit specific programs, services and resources that effectively work towards suicide prevention.
- Plan community events, activities, and celebrations, to promote health, wellness, and education related to celebrating life and suicide prevention such as land-based trips and outings, symposiums, conferences, and gatherings.
- Support the coordination and delivery of Nunatsiavut-specific programs and resources to celebrate life and promote suicide prevention that effectively communicate information about suicide risk factors and protective factors.
- Work with DHSD and other NG departments, NLHS, NL Schools, ITK, individuals, community agencies/organizations, etc. to ensure that suicide prevention programs and resources are rooted in Inuit culture and are evidenced based
- Assist staff within the department, by providing and/or developing information on relevant suicide prevention, education strategies & interventions and celebrate life materials, information, and programming.
- Actively engage with ITK and Inuit Regions regarding suicide prevention/celebrate life initiatives, best practices, relevant research, etc.
- Connect with other jurisdictions, and regions to network and understand different approaches to wellness, celebrate life, and suicide prevention
- Maintain current list(s) of facilitators for programs such as ASIST, safeTALK, and MHFA-I, and plan training opportunities for workshops cross the region, and outside of the region where applicable
- Develop an effective communication strategy, social media campaign related to suicide prevention and celebrating life with messages/graphics specific to Labrador Inuit/community contexts
- Responsible for management of budgets, proposals, and reporting in relation to wellness and suicide prevention funding opportunities
- Participate in opportunities for professional development related to position responsibilities

Qualifications:

- A diploma in social work, community studies, mental health & addictions, or similar field, or equivalent training
- Minimum of 4 years of experience working within the area of mental wellness & healing, community development
- Demonstrated knowledge & understanding of Inuit culture and experience working & living in an Inuit community.
- Demonstrated knowledge of social determinants of health, mental health & substance use, intergenerational trauma and impacts on high suicides rates in communities.
- Sensitivity to the target population and ability to comfortably and effectively relate to individuals experiencing suicide ideation and/or grief & loss due to impacts of suicide as well as their families, friends and community members.
- Must be organized, non-judgmental, able to work both independently and as well as part of a team.
- An innovative, creative, self-motivated individual with leadership qualities, positive attitude and healthy lifestyle.
- Demonstrated ability to coordinate multiple projects simultaneously
- Ability to develop funding proposals, prepare financial reports and compile data
- Strong commitment to personal & professional ethics and standards and ability to set and maintain appropriate boundaries.
