

INUIT HEALTH NAVIGATOR

Department: Health & Social Development

Term: Permanent Full-Time

Community: Happy Valley-Goose Bay

Closing: June 8, 2026

Responsibilities:

- Support Inuit patients and families in understanding and accessing healthcare services, including appointments, referrals, and follow-up care.
- Assist patients with navigating complex health and social service systems
- Provide practical support such as appointment reminders, transportation coordination, and accompaniment when appropriate
- advocate for culturally safe, trauma-informed, and Inuit-centered care within all areas of healthcare
- Support healthcare providers in understanding Inuit culture, history, and social contexts
- Address barriers related to language, culture, systemic racism, and Inuit social determinants of health
- Assist with arranging interpretation supports (Inuktitut and/or English)
- Assist patients and families with understanding diagnoses, treatment options, and care plans
- Support informed decision-making by patient and families
- Work collaboratively with Inuit Health Manager and Nunatsiavut Government, interdisciplinary healthcare teams, social workers, community organizations, and Elders/knowledge keepers
- Connect clients to community-based supports such as housing, income assistance, mental health services, and traditional medicines when desired
- Participate in interdisciplinary rounds, and care/discharge planning

Qualifications:

- Minimum 2-year diploma in health or social related field with 3-5 years of experience working in healthcare, social services, or community support roles. A combination of equivalent training & experience will be considered.
- Strong connection to Nunatsiavut and Upper Lake Melville communities, Inuit culture and values
- Lived experience (and/or deep understanding) of Inuit health realities
- Strong interpersonal, communication, and advocacy skills
- Ability to build rapport with patients, families, and service providers
- Understanding and compliance of confidentiality and ethical practice
- Experience working in healthcare, social services, or community support roles
- Knowledge of regional healthcare systems and community resources
- Training in trauma-informed care, cultural safety, and patient navigation
- Be open to working in various settings – Nunatsiavut office, hospitals, clinics, community settings, and/or client homes
- Some travel and flexible hours may be required
- Exposure to emotionally challenging situations; organizational support and supervision provided

Assets:

- Bilingual in Inuktitut and English

Responsibilities:

- Maintain strict confidentiality
- Document interactions, referrals, and outcomes in accordance with Nunatsiavut Government and Health Authority policies

Benefits:

- Competitive Paid Leave Package
- Travel Benefit
- Labrador Allowance
- Group insurance including health and dental
- Group pension

Contact:

careers@nunatsiavut.com

Applications should be forwarded before 4:30pm on closing day.

The Nunatsiavut Government is an equal opportunity employer however preference will be given to beneficiaries of the Labrador Inuit Land Claims Agreement. Applicants are asked to clearly state their Nunatsiavut beneficiary number on their cover letter or resume when applying.
